Served as Horticulture Consultant in Kingdom of Bahrain, and awarded as the best Agriculture consultant by H.E. King of Bahrain, Shaikh Ahemad Bin Isa Al Khalifa.

Currently serving as National Scientific Panel Member of FSSAI, FDA, Ayush, Ministry of Health and Welfare, Govt. of India.

Bestowed with many State and National awards as Scientist, Administrator, best teacher, Reviewer Excellence Award.

Guided 15 M.Sc. and 10 Ph.D. scholars and served as Advisory member for more than 20 research scholars.

Handled more than 750 crore of Research Projects in the State of Kerala.

Name:- Dr. Jayendra A. Khot

Education:- M.E. Ph. D (Mechanical-Production Engineering)

Designation:- Registrar ,DYP-ATU, Talsande, Kolhapur (M.S.) India

Email: - jakhot@dyp-atu.org

Mobile:- 9823086880

A person with 29 Years of experience in Teaching, administration, industry as well as Research and development. Awarded as best national paper by Indian Society for Technical Education. Working with D.Y.Patil group for the last 24 years

As a part of research and development activity he worked with different industries like IFM India, GMT machine tools, Gadkari Engineers for, Kirloskar Oil Engines, IFM India, Chougule industries for study of “Product optimization” and “productivity enhancement” in and around Kolhapur. He has Worked on Productivity enhancement for small and medium scale industries establishing best working practices.

He is a Life Member of Indian Society of Technical Education (ISTE). He has published 05 Publishers in International journals and 10 Research Papers in reputed national journals. He had attended 18 Workshops, 10 Training Programs. He has guided around 64 UG students. He has worked as Faculty Member, Member Board of Studies (BOS) of Department of Production Engineering of Shivaji University for 07 years. Worked as Head of Institution DYP Polytechnic College for 06 years. He had been Session Chair for In International Conference on RTIMM i.e., recent trends in materials and manufacturing.

Name:- Mr. Sujit S. Sarnaik

Designation:- Chief Finance and Account Officer

Email: - fo.talsande@dypgroup.org

Mobile:- 9503811291

Mr. Sujit Sarnaik is a seasoned professional with an illustrious career spanning more than twenty years in the dynamic realm of banking. His extensive expertise encompasses a broad spectrum of banking operations, including retail banking, audit, trade finance, credit, forex sales, and business development. This rich background underscores his profound understanding of financial mechanisms and strategic business acumen.

Currently serving as the Chief Finance & Accounts Officer at D.Y. Patil Agriculture & Technical University, Talsande, Mr. Sarnaik brings a wealth of experience and knowledge to his role. His responsibilities encompass overseeing all financial and accounting aspects of the institution, ensuring fiscal integrity, and facilitating sound financial decision-making processes.

Over the past year, Mr. Sarnaik has demonstrated remarkable adaptability and effectiveness in transitioning from the banking sector to the academic environment. His tenure at the D.Y. Patil group serves as a testament to his ability to seamlessly integrate into new organizational structures while leveraging his expertise to add significant value.

In his role, Mr. Sarnaik plays a pivotal role in shaping the university's financial strategies and policies. His strategic vision and analytical prowess contribute to the institution's long-term financial sustainability and growth. Moreover, his customer-facing experience and business development initiatives bring a unique perspective to financial management within the academic setting.

Under Mr. Sarnaik's leadership, the finance and accounts department of D.Y. Patil Agriculture & Technical University operates with precision and efficiency. His meticulous approach ensures compliance with regulatory requirements while optimizing resource allocation to support the institution's core objectives.

Mr. Sujit Sarnaik's distinguished career, coupled with his adaptability and strategic acumen, makes him an invaluable asset to D.Y. Patil Agriculture & Technical University. His leadership in financial management sets the stage for continued excellence and growth within the institution.

Roles & Responsibilities:-

1. **Supervision and Advice:** Oversee university funds and provide financial advice to the President and Vice-Chancellor.
2. **Management of Funds:** Handle and manage university funds, properties, and investments, including trust and endowment properties.
3. **Financial Reports:** Prepare financial reports for the university and ensure proper allocation of expenditure.
4. **Budgeting:** Participate in the budgeting process, ensuring the preparation of revenue and expenditure budgets for the university.
5. **Financial Records:** Maintain records of university income, expenditure, and property.
6. **Internal Audit:** Conduct internal audits of university finances.
7. **Financial Regulations:** Ensure adherence to university financial regulations.
8. **Miscellaneous:** Maintain registers of land, buildings, equipment, and materials. Represent university departments, workshops, and stores.
9. **Reporting and Explanation:** Provide explanations to the Vice-Chancellor for any unapproved expenditure or irregularity. Propose disciplinary actions against involved personnel.
10. **New Proposals and Expenditures:** Propose explanations for new teaching staff or unapproved expenditures. Recommend disciplinary action against staff involved in irregularities.
11. **Authorization of Expenditures:** Authorize expenditures in various university departments or schools.
12. **Reports to the Governing Body:** Provide financial reports to the university's Governing Body.
13. **Quarterly Reports:** Prepare and submit quarterly financial reports to the President, Governing Body, and Vice-Chancellor.

WORK EXPERIENCE

1. Manager at Cosmos Bank:

- Led day-to-day operations and strategic initiatives within Cosmos Bank.
- Oversaw branch activities, ensuring alignment with organizational goals.
- Managed a team to deliver exceptional banking services and achieve targets.

2. Identifying Business Opportunities:

- Conducted market analysis to identify growth opportunities.
- Implemented strategies to capitalize on emerging market trends.
- Fostered innovation and creativity to stay ahead of competitors.

3. Portfolio Management:

- Developed and maintained diverse business and customer portfolios.
- Monitored portfolio performance and implemented corrective actions.
- Aligned portfolio strategies with overall business objectives.

4. Customer-Centric Approach:

- Implemented customer service initiatives to enhance satisfaction.
- Provided guidance to staff for resolving customer issues effectively.
- Established feedback mechanisms to continuously improve service quality.

5. Training and Development:

- Designed and executed training programs for staff development.
- Conducted coaching sessions to enhance skill sets and productivity.
- Evaluated training effectiveness and adjusted programs as needed.

6. Career Path Development:

- Identified and nurtured talent within the organization.
- Provided mentorship and guidance for career advancement.
- Supported succession planning initiatives for key roles.

7. Regulatory Compliance:

- Ensured adherence to regulatory requirements and banking policies.
- Collaborated with compliance teams to conduct audits and assessments.
- Implemented controls and procedures to mitigate compliance risks.

❖ **Broad research areas:** Food Engineering, Design of food process equipment, Processing of Value-added food product, Fruit and Vegetable processing and preservation

❖ **Specific research areas:**

- 1. Extraction of Polyphenols from Grape Pomace:** - Optimization of the solid-liquid extraction conditions for total phenolic from milled grape Pomace.
- 2. Production of polyphenol reach Yogurt:** Yoghurt is an important dairy product, particularly for consumers with lactose intolerance. Yoghurt is considered a healthy food because it contains viable bacteria that are considered probiotics. Dried grape Pomace as the source of dietary fiber.
- 3. Preparation of sorghum Malt Beverage:** - primary objective being to promote the development of hydrolytic enzymes which are not present in the un-germinated grain. The malting process divided in to three physically distined operations, i. e. Steeping, Germination and drying. The malted beverage exhibited acceptable

chemical compositions i.e. nutritional value, satisfactory physical properties along with good flavour, test and acceptable sensory score.
